# SIXTH FORM ENTRY IN SEPTEMBER 2027

## CLASSICAL GREEK

The Classics Department hopes that SFC entrance candidates will have met most of the Classical Greek accidence, syntax and vocabulary required for GCSE Classical Greek by the time they take the College entrance papers.

### Grammar

A complete list of GCSE-standard grammar can be found at [www.ocr.org.uk](http://www.ocr.org.uk). In particular, candidates are expected to be familiar with Greek accidence, including noun, verb and adjective endings, and with syntax, including the following constructions:

- ▶ Indirect Statements (constructions with ὅτι, the infinitive, the participle)
- ▶ Direct commands (including prohibitions) and indirect commands
- ▶ Direct and indirect questions
- ▶ Purpose Clauses (with ἵνα and with ὡς + the future participle)
- ▶ Result Clauses
- ▶ Conditional Clauses (Future Open and Past Unfulfilled only)
- ▶ Participles
  - Genitive Absolute
  - Concessive (with καίπερ)
  - The article and participles
  - Normal temporal usage

### Vocabulary

Any word which does not appear in the Defined Vocabulary List for Paper 1 of OCR Classical Greek GCSE (J292) will be glossed unless it may be easily guessed from its English derivative or from the context. The vocabulary lists may be downloaded from the OCR website.

### Format of the Examination

The examination consists of comprehension questions on, and translation of, a passage of Greek. There is no English to Greek translation.
